### - Guide To Visiting Our Premises

From 24<sup>th</sup> September 2020 it is  
a legal requirement  
to wear a face covering  
when on our premises.

Our staff will also be wearing  
a face covering on our premises.

There are exemptions which permit  
people to remove a face covering or  
avoid wearing one –

These are:

- children under the age of 11 (Public Health England does not recommend face coverings for children under the age of 3 for health and safety reasons)
- people who cannot put on, wear or remove a face covering because of a physical or mental illness or impairment, or disability
- where putting on, wearing or removing a face covering will cause you severe distress
- if you are speaking to or providing assistance to someone who relies on lip reading, clear sound or facial expressions to communicate
- to avoid harm or injury, or the risk of harm or injury, to yourself or others including if it would negatively impact your ability to exercise or participate in a strenuous activity
- Police Officers and other emergency workers, given that this may interfere with their ability to serve the public
